

OUR SPACES

THE TERRACE

The Terrace is the largest of our event spaces.

This space is outdoor, yet undercover and heated overlooking the city lights. This space has become very popular with the corporate and social market and is perfect for either sit down or cocktail style events. We recommend a seated event in this space no larger than 60 and cocktail style of up to 150.

THE LOUNGE

The lounge incorporates an indoor and outdoor space which is perfect for a cocktail style or long table dinner. With garden views overlooking the Perth Convention Centre, this is the perfect space for your inner city event.

This space can seat up to 50 people for a long table lunch or dinner, or can cater for up to 120 people for a cocktail style event.

With full bar access and a great atmosphere the lounge always knows how to party.

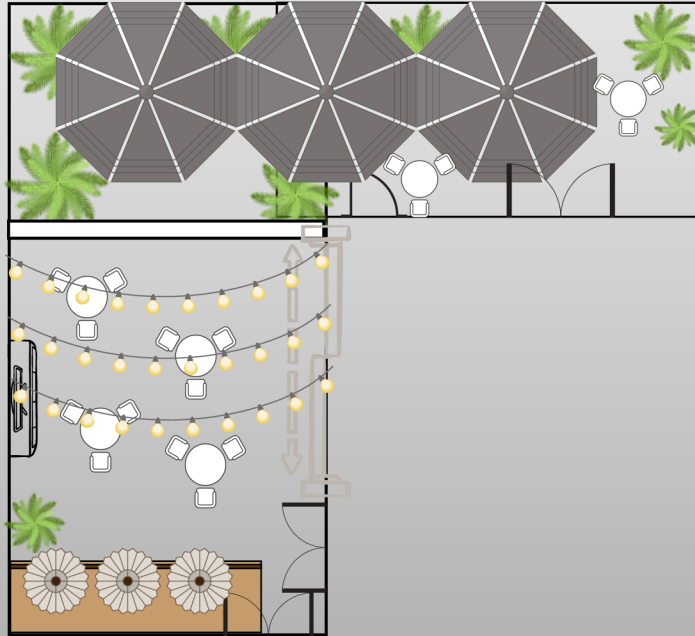

DINING

As the seasons change and each function is different we offer seated events in all our functions spaces. For some the restaurant is the best fit offering air conditioning and a secluded space to chat to your guests privately. Dining is an experience and this is something that we understand has to be catered for to the individual needs of your guests.
